SCAFFOLD FELL WITH 8 MEN

Jack Hartman's Injuries Most Serious—Believe Limb Fractured

Jack Hartman was caught in the wreckage when 1600 square feet of scaffold fell eight feet at the Overland garage yesterday afternoon and his right hip is believed to be fractured. Seven other men were on and under the framework, when it gave way and fell to the floor but they received only slight bruises and cuts.

As soon as Hartman could be extricated from the tangle of boards and timbers he was taken to the home of his brother-in-law, L. W. Beeler, on East Seventh street, where a doctor gave medical aid.

Thursday night a lot of plastering fell from the ceiling which necessitated the tearing off of all of it and yesterday the work was being rushed through and scaffolds had been erected for the placing of beaver board. Hartman came here from Kansas City week before last and started to work for J. F. Quinn a week ago today.

Today the doctors were to apply the X-Ray to determine the nature of the injury. It is thought the bone is broken an inch from the hip joint.

Whooping Cough

One of the most successful preparations in use for this disease is Chamberlain's Cough Remedy. S. W. McClinton, Blandon Springs, Ala., writes, "Our baby had whooping cough as bad as most any baby could have it. I gave him Chamberlain's Cough Remedy and it soon got him well." Obtainable everywhere.

THREE AUTOMOBILES INTO CURB AT FIFTH AND CEDAR

The silt and mud which collects on the pavement at Fifth and Cedar after a rain makes that corner a particular dangerous one for motor car drivers. Yesterday three automobiles skidded and went into the curb and four wheels were damaged. Harding's jitney buy had three spokes in a front wheel broken when it went into the south curb, on turning east. A roadster driven by Merle Dyer skidded broadside into the same curb and broke two wheels while a third car broke a back wheel.

A Symbol of Health

The Pythagorians of Ancient Greece ate simple food, practiced temperance and purity. As a badge they used the five pointed star which they regarded as a symbol of health. A red five pointed star appears on each package of Chamberlain's Tablets, and still fulfills its ancient mission as a symbol of health. If you are troubled with indigestion, biliousness or constipation, get a package of these tablets from your druggist. You will be surprised at the quick relief which they afford. Obtainable everywhere.

JUNCTION CITY PREPARING FOR 5TH DIST. LOG ROLLING

Junction City Union: The members of the Woodman lodge who are in charge of the work, have been busy making their plans for the big district log rolling that will be held here on the 2nd of July. It is expected that several thousand visitors will be in this city and a good program has been arranged. It is also planned to carry the celebration over to the 4th, and if this is done the celebration will be the largest held in the state.

Abilene returning courtesies, will send a large delegation to the log rolling and the local M. W. A. team will participate.

LIGHTNING SUPPOSED TO HAVE RUINED TRANSFORMERS

Two transformers of three on the transmission line to Enterprise of the Riverside Light and Power Co., burned out early Sunday morning and fell to the ground. The company rushed new transformers by motor truck and service was resumed late in the afternoon. Lightning is supposed to have ruined the transformers. The loss is \$500.

MANY BROUGHT COMPLAINTS TO EQUALIZATION BOARD

The board of county commissioners, sitting as a board of equalization, heard many complaints from taxpayers today who were not satisfied with the valuation placed upon their real estate or personal property. The board, with Mr. King, was rushed and had more complaints than they could well take care of. Adjustments were made where warranted.

Deafness Cannot Be Cured

by local applications, as they cannot reach the diseased portion of the ear. There is only one way to cure deafness, and that is by constitutional remedies. Deafness is caused by an inflamed condition of the mucous lining of the Eustachian Tube. When this tube is inflamed you have a rumbling sound or imperfect hearing, and when it is entirely closed, deafness is the result, and unless the inflammation can be taken out and this tube restored to its normal condition, hearing will be destroyed forever; nine cases out of ten are caused by Catarrh, which is nothing but an inflamed condition of the mucous surfaces.

We will give One Hundred Dollars for any case of Deafness (caused by Catarrh) that cannot be cured by Hall's Catarrh Cure. Send for circulars, free.

Health for Sick Women

For Forty Years Lydia E. Pinkham's Vegetable Compound Has Been Woman's Most Reliable Medicine—Here is More Proof.

To women who are suffering from some form of woman's special ills, and have a constant fear of breaking down, the three following letters ought to bring hope:—

North Crandon, Wis.—"When I was 16 years old I got married and at 18 years I gave birth to twins and it left me with very poor health. I could not walk across the floor without having to sit down to rest and it was hard for me to keep about and do my work. I went to a doctor and he told me I had a displacement and ulcers, and would have to have an operation. This frightened me so much that I did not know what to do. Having heard of Lydia E. Pinkham's Vegetable Compound I thought I would give it a trial and it made me as well as ever. I cannot say enough in favor of the Pinkham remedies."—Mrs. MAYME ASBACH, North Crandon, Wis.

Testimony from Oklahoma.

Lawton, Okla.—"When I began to take Lydia E. Pinkham's Vegetable Compound I seemed to be good for nothing. I tired easily and had headaches much of the time and was irregular. I took it again before my little child was born and it did me a wonderful amount of good at that time. I never fail to recommend Lydia E. Pinkham's Vegetable Compound to ailing women because it has done so much for me."—Mrs. A. L. McCASLAND, 509 Hays St., Lawton, Okla.

From a Grateful Massachusetts Woman.

Roxbury, Mass.—"I was suffering from inflammation and was examined by a physician who found that my trouble was caused by a displacement. My symptoms were bearing down pains, backache, and sluggish liver. I tried several kinds of medicine; then I was asked to try Lydia E. Pinkham's Vegetable Compound. It has cured me and I am pleased to be in my usual good health by using it and highly recommend it."—Mrs. B. M. Osgood, 1 Haynes Park, Roxbury, Mass.

If you want special advice write to Lydia E. Pinkham Medicine Co. (confidential) Lynn, Mass. Your letter will be opened, read and answered by a woman and held in strict confidence.

"It's Good"

says Mrs. Ada Boyer, of Versailles, Mo., in writing her praise of Theodor's Black-Draught. She further says: "We have been constant users of Theodor's Black-Draught for 22 years, and have raised seven children with it. We gave it to them at teething, and it relieved spasms."

Have also found

THEODOR'S BLACK-DRAUGHT

to correct all stomach troubles, and for bad colds and fever, it always worked a cure. My married daughter is using it with good results with her little baby."

Purely vegetable, containing no harmful mineral ingredients Theodor's Black-Draught has become the standard household remedy. It should be in your home. Get a package today. EB2

ALBERT GISH TO GRADUATE FROM MILITARY SCHOOL

A self supporting young man who has worked his way through five years of schooling is Albert R. Gish who graduates May 18 from the Warren (Ohio) Military Band school. He is a son of Mr. and Mrs. John Gish and announcements of the exercises have been received here. When E. C. Tillotson was professor of music in the city schools he arranged for Albert to attend this school. He has made a good record and paid his expenses by touring with chautauqua bands during the summer months. In the five years he has not visited his parents here as funds did not permit, but he has a worthwhile musical education now and will be a success. His friends are pleased to hear of his work.

A.H.S. ATHLETES SHOWED WELL

Haskell and Gish Placed 7th in the State Meet at Manhattan

Haskell and Gish winning 3 seconds and a tie for second, 10½ points, placed seventh in the state high school track meet at Manhattan Saturday. A two-inch rain made the track heavy and all events were slow, is being a case of the strong sturdy athlete, rather than the fast, winning. Gish won seconds in the high and low hurdles and tied for second in the broad jump. Haskell vaulted 10 feet 6 inches, placing second, while a Wichita athlete out-vaulted him at 10-10½.

Tom Neely, Enterprise high school's sole entry, won first in the 100-yard dash at 10.3-5 seconds and third in the discus throw.

Considering that only two were entered from the Abilene high school and that the best athletes from all the schools of the state participated, the showing was good.

GARFIELD SIXTH GRADE WON TRACK MEET FROM FIFTH

A track meet held at the city park last week by the fifth and sixth grades of the Garfield school, was won by the sixth grade. Albert Baskerville, a slim colored boy, won first in all the events staged with the exception of the pole vault. In the broad jump he leaped 15 feet 2 inches and cleared the pole at 4 feet 10 inches in the high jump, which is good for a youth. Harold Little was the second high point winner. The 50, 100, 220, 440 and 880-yard dashes, the high and broad jump, pole vault and relay were the events.
